

This image displays 15 horizontal lines of Ogham script. Each line is a sequence of symbols, including vertical strokes of varying lengths, crosses, and other geometric shapes, arranged in a specific order. The symbols are drawn on a thin horizontal line that has small arrowheads at both ends. The symbols are arranged in a way that they appear to be a continuous sequence of characters, though the specific characters are not labeled. The symbols include single vertical strokes, double vertical strokes, triple vertical strokes, crosses, and other geometric shapes like diamonds and squares.
